Finding Census Tract Information

WITH AMERICAN FACTFINDER

NSG412
COMMUNITY HEALTHCARE DELIVERY
Click on “Advanced Search”, then “Show Me All”.
Click on “Geographies” on the left side.
Select “Address”, then enter your desired address.

1. Enter search terms and an optional geography and click GO.

2. Next, select Geographies (states, counties, cities, towns, etc.)

3. Select one or more Search Results and click View.

Note: address search will use the latest available address data beginning with 2013 and working backwards, based on the contents of Your Selections.
Click on the “Census Tract” result.
You’ve now selected the census tract. Click “Close”.

Note: address search will use the latest available address data beginning with 2013 and working backwards, based on the contents of Your Selections.

Census Tract 85.11, San Diego County, California successfully added to Your Selections.

Geography Results:
Use “Selected Social Characteristics” for general data, or explore other results for more specific data.
Thank you.
